## CLARIFICATION

**SOCIALS #1 & #2**~ *(Usually the 1st & 3rd Friday)*~ The Social Committee plans activities each month (occasionally on Saturdays). Some events are potluck, where residents bring a dish to share for 10-12 people and some are catered. There is always a fee ranging from \$4.00 to \$35.00 for each event to cover disposable items, soda, coffee, theme decorations, staff support, catered meals, entertainment and occasional prizes.

**CASUAL FRIDAY**~ This occurs when a group of residents gather informally in the Game Room (Winter) or Poolside (Summer). There is no charge because they bring a dish to share, their own disposable such as utensils, tablecloths, napkins, drinks and do their own clean up. This is not a staff supported event.

### SAFETY NOTE

**Water is Gushing  
from  
the Ceiling!**

You're in a panic  
looking for the  
main water shut-  
off. It's an emer-  
gency! Does everyone in the household know

how and where to shut off the water? Knowing the location for utility shut-offs prior to the emergency will save precious time and may reduce damage cost. You can download ready-made signage from this webpage: [www.911ready.org/utility\\_signage.htm](http://www.911ready.org/utility_signage.htm) in addition, any time you are away from your residence for more than 24 hours, the main water valve for the house should be shut off.
